

Sydney Wojtysiak

Skills

Camera Operator, Editing, Recording, Writing

Passions

Video and Audio Editing:

Passionate about getting the perfect cut and transition on a video or audio recording.

Photography:

Enjoy capturing moments of live theatre and the backstage of a production.

Film/TV:

Enthusiastic about storytelling through the camera to the screen.

Strengths

Organization:

Keeping my schedule intact while taking more than a full load of classes and working.

Problem Solving:

Thinking on my feet and coming up with out-of-the-box solutions in high-pressure situations during sporting events.

Tear Down:

Set a new record for winding cables in my intro to audio and video class, quick with packing up after a production.

Mass Communications Media Production Major Southern Illinois University Edwardsville
